

Brothers and Sisters of the Elections Committee,

I am elated to submit this application for the position of Membership Director of the Southwest District Alumni Association. It has been a joy to watch SWDAA evolve over the years, both as an active and now alumni. It is a privilege to even be considered to continue that growth for the next year.

It's been a dream of mine to serve the district since I was an active member. There have been multiple times where I ran for an office or applied for a position in the district, both as an active and alumni, and did not get it. After serving SWDAA as the Tau Beta Sigma Member-at-Large, I have found that SWDAA is where I fit when serving the Southwest. I would like to continue to give my time and efforts to the Southwest and to SWDAA, but this time in a new position.

I understand how important the alumni role is for the wellbeing of our organizations. I am both passionate and dedicated to bettering Kappa Kappa Psi, Tau Beta Sigma, and the Southwest and want to encourage others to have that same passion and dedication.

I have no doubts that I can execute this position and all it entails well. If you have any questions, please feel free to contact me at [czuniga@tbsigma.org](mailto:czuniga@tbsigma.org).
