 - District Convention as Host Chapter Member

Sisters and Brothers of the Southwest District Alumni Association,

Please accept my application and interest in the Southwest District - Tau Beta Sigma Member at Large for the upcoming election window. It is an honor to be selected to serve, and I am ready to serve the Southwest District Alumni Association in a greater capacity than a general member.

As an educator, I am always looking for a different and more effective way to reach my students. My perspective as a middle school band director pushes me to continually keep up with the trends, to continue to engage, and retain students from grades 6 -8. This skill would only increase my marketability in this position. I would take the same approach as Co-MAL by evaluating the data, working for ways to engage more members, and facilitating the current involvement in district activities for SWDAA.

All in all, thank you for the consideration.

Jennifer D. Villarreal
